See report.

Item #4: Work at 151 N. 8th in Haymarket
The Commission has been working with Craig Smith on plans for a new facade in the P Street frontage adjacent Burkholder Project (719 P Street). I've not yet received any new materials in response to the discussion at the August meeting.

Item #5: Work at 129 N. 10th Street, Grand Manse
The Commission has had preliminary discussions with Monte Froelich about concepts to illuminate features of the landmark former U. S. Courthouse and Post Office. I have had more detailed follow-up discussions with Natasha Salem of the Grand Manse/U. S. Properties staff but I have not yet received materials to distribute.

Item #6: Work at 611 So. 31st
The owner and resident of this house, Jeanne Heim, is discussing maintenance and improvements to her house. I will try to bring specific proposals to the Commission for review.
